CHC50113 Diploma of Early Childhood Education and Care

Course Description

This qualification reflects the role of early childhood educators who are responsible for designing and implementing curriculum in early childhood education and care services. In doing so they work to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They may have responsibility for supervision of volunteers or other staff.

Entry Requirements

There are no formal pre-requisites for entry into the course, however, students must have access to a Certified Early Childhood Centre to conduct their work placement, and either hold or be eligible to obtain a Blue Card Working with Children Check.

Students complete an English skills self-assessment before they start their course and in addition, if evidence of insufficient literacy/numeracy ability to undertake the course is evident throughout the enrolment process, the Institute may request the student to undertake an LLN diagnostic test and/or refer the student to a specialist LLN support agency.

Course delivery

The qualification is delivered Online over a maximum of 18 months or via RPL. Intakes are rolling.

Mode of Study

Online and RPL (with gap training if required). Students are advised of the training and/or assessment requirements by their trainer/assessor.

Work Placement

The student will be required to complete a minimum of 240 hours of practical placement in a regulated education and care service that offers the full range of services required to complete your study. It is ultimately the student's obligation to find practical placement in their field of study. Most students will already be working in the industry, however if you are not working and experiencing difficulty, the Institute can assist. Call us to discuss.

Course Credit

Recognition of Prior Learning (RPL)

Recognition of Prior learning (RPL) is "the acknowledgement of the skills and knowledge" that you have already gained through previous work, studies, and life experiences that relate to this qualification. If you are granted recognition in a unit/s of competency, you do not have to re-study that unit. If you think you may be eligible to apply for RPL because of your previous work, study and life experiences, please contact the Institute to access your RPL kit.

Credit Transfer

If you have completed any units from the qualification previously you will be eligible for credit on provision of a verified Qualification/Record of Results and/or Statement of Attainment.
