CHC30113 Certificate III in Early Childhood Education and Care

Course Description

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.

Entry Requirements

There are no formal pre-requisites for entry into the course, however, students must have access to a regulated education and care service to conduct their work placement, and either hold or be eligible to obtain a Blue Card Working with Children Check.

Students complete an English skills self-assessment before they start their course and in addition, if evidence of insufficient literacy/numeracy ability to undertake the course is evident throughout the enrolment process, the Institute may request the student to undertake an LLN diagnostic test and/or refer the student to a specialist LLN support agency.

Course delivery

The qualification is delivered Online over a maximum of 12 months. Intakes are rolling.

Mode of Study

Online. Students are advised of the training and assessment requirements by their trainer/assessor prior to commencement.

Work Placement

The student will be required to complete a minimum of 120 hours of practical placement in a regulated education and care service that offers the full range of services required to complete your study. It is ultimately the student's obligation to find practical placement in their field of study. Most students will already be working in the industry, however if you are not working and experiencing difficulty, the Institute can assist. Call us to discuss.

Course Credit

Recognition of Prior Learning (RPL)

RPL is "the acknowledgement of the skills and knowledge" that you have already gained through previous work, studies, and life experiences that relate to this qualification. If you are granted recognition in a unit/s of competency, you do not have to re-study that unit. If you think you may be eligible to apply for RPL because of your previous work, study and life experiences, please contact the Institute to access your RPL kit.

Credit Transfer

If you have completed any units from the qualification previously you will be eligible for credit on provision of a verified Qualification/Record of Results and/or Statement of Attainment.

UNITS OF COMPETENCY

There are 18 units (5 core, 3 elective) required for this qualification:

| Unit Code | Title | |
|-----------|--|---|
| HLTWS001 | Participate in work health and safety | C |
