BSB50820 Diploma of Project Management

Course Description

This qualification reflects the role of individuals who apply project management skills and knowledge in a variety of contexts, across a number of industry sectors. The job roles that relate to this qualification may include Project Manager and Project Team Leader.

Individuals in these roles have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

Entry Requirements

There are no formal pre-requisites for entry into the course, however students complete an English skills self-assessment before they start their course. In addition, if evidence of insufficient literacy/numeracy ability to undertake the course is evident throughout the enrolment process, the Institute may request the student to undertake an LLN diagnostic test and/or refer the student to a specialist LLN support agency.

Course Delivery

The qualification is delivered Online over a maximum of 12 months. Intakes are rolling.

Mode of Delivery

Online and RPL (with gap training if required). Students are advised of the training and assessment requirements by their trainer/assessor prior to commencement.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is “the acknowledgement of the skills and knowledge” that you have already gained through previous work, studies, and life experiences that relate to this qualification.
